

FOLLOW THE MONEY

A NEW MODEL FOR BUSINESS & HUMAN RIGHTS ADVOCACY

How can financial databases and other online sources be used to hold companies along the investment chain accountable for their involvement in human rights abuses?

Join the **Business and Human Rights Clinic** when it presents its pioneering research and advocacy techniques in the field of business and human rights.

Thursday, April 7, 2016

2:30 - 4:00 pm

The Lindsay Rogers Common Room, 707 IAB

Register here: <https://followthemoney2016.eventbrite.com>
