

2 October 2016

Dear colleague:

The Program on Peace-building and Rights at Columbia University's Institute for the Study of Human Rights, Ss. Cyril and Methodius University in Skopje, and the KENI (Research Centre for Modern History, Panteion University, Athens) have the pleasure to invite you to the workshop "*Crossroads: Examining Cultural, Historical and Political Heritage in Southeast Europe.*"

The workshop involves post graduate students from Athens and Skopje who will present papers and exchange ideas on subjects of central interest concerning the history of both countries. We hope that bringing together students from two different historiographical traditions will broaden the perspectives and studies of the students involved, as well as participating faculty. The workshop is a platform for dialogue between a new generation of historians that hopefully can have a long-term effect.

The workshop will take place on the 21st of October 2016 at Panteion University, Athens (Conference Room, 5th floor, Building DESKoi (at Panteion Campus), Lagoumitzi and Ch. Trikoupi 1 street).

Please find the agenda attached.

Sincerely,

Lambros Baltiotis

Dalibor Jovanovski

Ivanka Dodovska
